# Flowster Industries

Flowster Industries is a trusted manufacturer of premium PTMT bathroom fittings, proudly operating from Rajkot, a major industrial center in Gujarat. With our brand **FLOWSTER**, we deliver smart, stylish, and long-lasting faucet solutions tailored to modern living standards.

We specialize in crafting products that bring together functionality, aesthetics, and value, catering to a wide range of customer needs—from everyday homes to high-end projects. Our PTMT range is carefully engineered to offer both durability and visual appeal, making us a preferred choice in both Indian and global markets.

Over the years, our focus has remained steadfast on quality manufacturing and continuous improvement. We've earned the trust of a strong and loyal client base who not only stand by us but also advocate for us. Their confidence fuels our progress and encourages us to push boundaries with every new innovation.

Our product catalog includes:

- ✓ Bib Cock
- ✓ Pillar Cock
- ✓ Angular Cock
- ✓ 2-Way Bib Cock
- ✓ Sink Cock

...and a growing range of efficient, user-friendly fittings.

What defines Flowster is not just what we make—but how we make it. Every item that leaves our facility reflects our commitment to precision engineering, strict quality checks, and customer-first thinking. As we continue to expand, we stay focused on our core mission.
